Loading the Zinio App on an iOS device.

All iOS (iPad/iPhone/iPod Touch devices with FULL access to Apple App Store are compatible with your Zinio for Libraries magazines. Access the App Store and download the App.

First – Access the iOS App Store

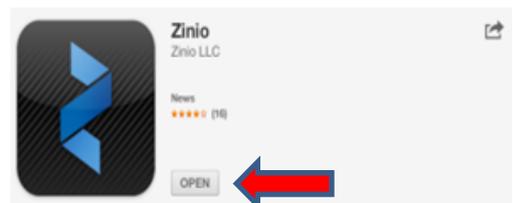

- From the home screen – tap the App Store icon
- When the Store opens – search for 'Zinio'

Second – Download the App Link

- Select 'Install' to download and install the iOS App.
- You may see a message regarding 'age-restricted material' – click 'Ok'. Your library collection only will show appropriate material on the iOS app.

Third – Open and Log In to the App

- Select the Zinio icon to open.

ENJOY YOUR iOS ZINIO APP!

OPTIONAL – Personalizing your Android App Homescreen to default to your checked out magazine display

- Personalize your iOS App screen to default to your personal library of checked out magazines.

1. Select the 'Account Settings' icon in the lower right of your App Header (the 'sprocket' icon.)
2. Select the 'Set my Homescreen' link.
3. Select 'Read' and press the 'X' button at the top left of the Account settings screen

There are several great features within the iOS App reading experience. A few highlights:

- **Interactive video/audio**
- **Converting articles to text (the article will read like a newspaper article without graphics.)**
- **In Text mode – email the article to yourself or a friend**
- **Book mark your place for easy retrieval the next time you access the magazines**
